Thank you for your email.

We rarely vote positions on pending Bills in front of the state legislature, but I agree AB1250 should be added to our City Council agenda. I will raise the issue of adding it on Tuesday night. Kirsten Keith, who is serving as the City's mayor this year, ultimately is in charge of selecting what items are placed on our agenda. She traveling out of the country and won't be at the meeting Tuesday, so it may be a few weeks before we gain confirmation it will be added to an agenda in the future.

With best regards,
Ray

Dear City Council,

As a concerned citizen of Menlo Park, I am completely opposed to AB1250.

The The League of California Cities writes:

> The workload, privacy concerns, costs and litigation created by this measure places an overwhelming and significant burden on nearly every city department and would create a de facto ban on virtually all contracting services.

This bill was described in an editorial by the Mercury News as a

> Union-Sponsored Bill with the clear intent: Increasing the number of public employees, who would be members of unions, rather than looking at outside services that could be more cost-effective.

We need to increase the effectiveness of our tax dollars and AB1250 would do just the opposite. Defeat AB1250.

Sincerely,
